Dear Mr. Crawford,

Your name has been selected as someone who might agree to volunteer at one of the local volunteer fire departments in the Hampton area.

As a volunteer you would not be required to fight fires, but could assist your local department by answering the phone, helping with fundraising, bookkeeping or paperwork, doing facilities maintenance, or a variety of other jobs. Serving as a volunteer is a great way to meet new friends, be a part of a team, and is a valuable service to your community.

Please let me know on the enclosed Volunteer Reply if you'd be able to accept my invitation.

Right now, many volunteer fire departments across the nation are facing a real crisis because fewer and fewer people are volunteering, which is why we are conducting this national effort to recruit new volunteers.

Now I know productive members of the community such as yourself have busy schedules that might not leave time for volunteer activity. So if you're not able to serve as a volunteer - please - help by sending us your donation for \$10, \$15, or even \$25, \$50 or more so we can continue our national recruitment effort.

Your volunteer work OR your donation for \$10 or more is urgently needed and will be deeply appreciated.

Sincerely,

Alan Bohms

P.S. We'd like to send a list of potential volunteers out to departments in the next few weeks, so please use the enclosed Volunteer Reply and postage-paid envelope to let me know one way or the other if you can help us as a volunteer.

Over, please
