

TOWN OF HAMPTON
Incorporated 1786
BOARD OF SELECTMEN- SPECIAL MEETING MINUTES
Thursday, September 21, 2017
Town Hall Community Room

1. Call to Order

Selectman Cahill called the meeting to order at 6:01 pm.

2. In attendance - First Selectman Cahill, Selectman Chapel and Selectman Grindle

3. Audience for Citizens

Revell Sanberg/Diment read a letter from Kate Donnelly, Chairman of the Green Energy Committee. They feel there is a better investment of the \$13,000 than the move of the solar panels from the Fire Department roof to the Town Hall.

Mary Ellen Donnelly reported that it would take 10-12 years to get return our investment.

Ed Aldeman said he had not seen anything on the Fire Department. Selectman Cahill replied that it has been in the process since October 12, 2016 when a proposal was discussed.

First Selectman also noted that the roof on the fire house will need to be replaced within 3 years. So we would remove the panel from the fire department and get the roof done.

Mary Ellen Donnelly feels we could get a better price. First Select man is comfortable with the proposal.

4. Discussion & Action : Contract to relocate fire house solar panels to town hall .

Motion: Selectman Chapel moved/ Selectman Grindle abstained to approve contract for the removal of solar panels at fire department to Town Hall. Selectman Chapel and Selectman Cahill approved and Selectman Grindle abstained. Motion passed.

5. Motion to adjourn – Selectman Chapel/Selectman Grindle moved/seconded to adjourn at 6:38 PM. All in favor. Motion passed.

Respectfully submitted,
Donna Cloutier, Recording Secretary
