  - C. **Discussion and Possible Action on Membership in Regional Youth Services Board/Juvenile Review Board – Emily Morrison** – Emily Morrison, Director of Development at United Services, Inc. made a presentation to the Board about the benefits of membership in the Regional Youth Services Board/Juvenile Review Board. She explained all of the services they offer students, including working with families on truancy. This has become a huge problem due to anxiety and depression brought on by the pandemic. The ultimate goal is to get kids to feel comfortable coming back to school. She spoke of

after school clubs they provide and how they offer wholesome fun for the kids. If the Board is interested in becoming a member, she would then meet with Town officials to explain the benefits of having a designated Youth Services Board. Board members agreed that it would be a great idea to draft a letter of support from the Board to the three Town Selectmen. Emily said she would gladly attend a Town meeting to share her presentation with them. **Stacy Foster moved that the RD#11 Board of Education prepare a letter to the Board of Selectmen of all three towns showing their support for Membership in the Regional Youth Services Board/Juvenile Review Board. Sally Ireland seconded and the motion passed with the following vote:**

**Yes: Stacy Foster, Joan Fox, Kathy Freed, Sally Ireland, Dennis LaBelle, Susan Lovegreen and Michael Smardon.**

**Superintendent Henrici and Chairperson LaBelle will draft the letter.**

- D. Presentation of Preliminary FY22-23 Budget** – Superintendent Henrici said this was the most challenging budget he has ever presented with having to factor in significant increases in health insurance and unanticipated costs of outplaced students. He feels that a 2.43% increase is reasonable given these factors and keeping in mind that we need to provide a good education to the students while addressing the constraints of the Town. This is the largest increase he’s ever asked for but feels it’s a fair and responsible budget. He has flat lined all department budgets and will do everything possible to maintain the teaching staff. This budget is preliminary only. Joan Fox expressed concern that the Special Education costs are holding regular education students hostage because State funding for Special Education is lacking and this forces districts to make cuts to regular programs in order to meet the needs of Special Education. She thought it would be good for parents to form a group to address Special Education needs and possibly join other districts in Connecticut to bring a strong voice to the State. Stacy Foster said it is our responsibility to educate Special Education and regular education students.
- E. Discussion and Possible Action on Making Masks Optional if the Legislature Chooses to Make it so After February 28, 2022 and Follow CDC Guidelines Until the Policy Committee Meets Next** – Superintendent Henrici said the House voted to end the mask mandate. The Senate voted not to end the mask mandate, but to end the Executive Order on February 28<sup>th</sup>. He feels the mask mandate will end and be in the hands of individual districts. His recommendation would be for masks to be “optional” for students and teachers. He urged the Board of Education to concur. **Stacy Foster moved that the Board of Education accept the recommendation that we make masks optional if the Legislature chooses to make it so after February 28, 2022 and follow CDC Guidelines until the Policy Committee meets next. Susan Lovegreen seconded and the motion passed with the following vote:**

**Yes: Stacy Foster, Kathy Freed, Sally Ireland, Dennis LaBelle, Susan Lovegreen and Michael Smardon.**

**No: Joan Fox**

9. **Second Audience for Citizens** – Lisa LaBelle asked the Board if there are any ways we could think of to communicate to each town to sell our budget. Maybe we could hold some sort of open forum and offer refreshments. We could offer both in-person and Zoom options. Dennis LaBelle addressed the Board as a citizen and mentioned that we should have a statement in the footer of the Board agenda, similar to what he saw on Scotland’s agenda, which states something like “if you need a translator, please call this number three days in advance”. We really should have this service in place to those who need it. He will contact Scotland to get the exact verbiage and will give it to Superintendent Henrici and Carol Cyr. Stacy Foster noted that we should also state how long an audience member is allowed to speak.
10. **Agenda Items for Next Meeting – Final Budget, Mask Policy, COVID Isolation and Quarantine Policy, Addition of Statement to Agenda Footer**
