Hampton Farm Fair

It was confirmed that there has been 12 responses of participation as of the meeting.

The fire dept. has agreed to do the refreshments

The need for signage that would be put up a week prior to the fair was expressed and all members agreed to either make a sign or put up ones that were prepared.

It was felt that invitations should be extended to Hampton organizations to set up tables at the fair, Hampton Historical Soc., Friends of the Library, and others.

A date for next year was thought to be necessary to have enough time for inclusion in Fair calendars and invitations to politicians. Sunday July 13,2014 was tentatively set and would be voted on at the next regularly scheduled meeting in July. Mitch expressed the need to establish a date for future years to establish the Fair as an annual event. The Middle Sunday of July was chosen but more planning and refinement was needed, it will be brought up at the next meeting.

The need for a Commission Budget was expressed, with the cost of printing of flyers and signs being borne by the members it was felt that some funds were needed.

Meeting adjourned at 7:52 pm
