First Selectman Cahill stated that the Treasurer salary had been increased by \$3,000, effective July 1 and Selectman Grindle explained how the increase was calculated (increase in skill set, responsibilities and hours).

Another change made this afternoon was to reduce 24 hour librarian position to a 20 hour position, as originally requested by the Library Board and agreed by the Board of Selectmen.

Grindle stated that the hours of the library sets the parameters for the hours required, as opposed to the snow storms, or election events that change the requirements of the road crew or registrars.

Penny Newbury asked if Small Cities program income would be reflected. It is a completely separate operation from the town and not reflected in the town budget.

Emergency Management line item for \$3000 created.
