3. Approval of Minutes: 11/13/19
Motion: Sharon moved, Rachel seconded, to approve the minutes of November 13, 2019. The motion passed unanimously.
4. Additions to the Agenda
None
5. Old Business
 - a. 100% Clean and Renewable Energy Event Planning & Mailing
Kate prepared a flyer listing the events to be presented through June. The flyer will be mailed after December 25 and committee members will post it in several towns. The agenda for the first presentation on January 9 was reviewed. The committee discussed adding information about the Killingly gas plant.
 - b. Solar Production
The production of the Hampton Elementary School 127.75 kW system and the Town Hall 18 kW system are found at the end of the minutes. The Shippee 9 kW system on Hampton Elementary School report is only available daily.
 - c. Banner
The banner will be ready by February.
 - d. Killingly Gas Plant Update & Action
The construction of a 550-megawatt dual-fuel combined cycle electric generating facility at 180 and 189 Lake Road in Killingly will not begin until there is a decision on an appeal from the Alexander Lake Association to the Siting Council about its decision to approve the facility.
