

Hampton Green Energy Committee  
Meeting Minutes  
Wednesday, April 1, 2026  
7 PM  
Zoom

1. Call to Order

The meeting was called to order at 7:01. Present were Chair Kate Donnelly, Maryellen Donnelly and Sharon Wakely.

2. Audience for Citizen

None

3. Approval of Minutes 2/4/26

**Motion:** Sharon Wakely moved to approve the minutes of February 4, 2026. Maryellen Donnelly seconded the motion. The motion passed unanimously.

4. Old Business

a. Film nights

The committee suggested that the movies be posted on Facebook. Kate will also provide a press release.

b. Capstone Projects Parish Hill

Sharon contacted the teacher in charge of Capstone and has not heard back. She will contact again.

c. After school lessons at Hampton Elementary School

There has been no response to the committee regarding what energy related activities might work well with their studies. Maryellen will contact Principal Smith to ask about desired science materials.

d. Air quality and energy issues at the school

The mandated Indoor Air Quality and HVAC inspection was completed. Necessary repairs are being planned and carried out.

e. Updates-ERA, Superfund and other legislation

The Environmental Rights Amendment to the Connecticut Constitution and Superfund have passed out of committee. Solar incentives are ending.

5. New Business

a. Expenses- Zoom and Supplies

**Motion:** Sharon Wakely moved to reimburse up to \$80 for four months of Zoom expenses. Maryellen Donnelly seconded the motion. The motion passed unanimously.

**Motion:** Maryellen Donnelly moved approve up to \$100 for movie night expenses. Sharon Wakely seconded the motion. The motion passed unanimously.

b. Announcements- Earth Day activities

None

c. Membership

The committee thanks Jon Matcheson for his work on the HGEC. The committee seeks new members.

6. Adjournment

The meeting ended at 7:35.

Respectfully submitted,  
Maryellen Donnelly

The kilowatt hour production of the Hampton Elementary School 127.75 kW system through April 1, 2026 was **1,115,010 kWh**. Monthly production is as follows.
