

Town of Hampton, Connecticut
Incorporated 1786

INLAND WETLANDS AND WATERCOURSES AGENCY

SPECIAL MEETING AGENDA

Saturday January 11, 2020

9 AM

Directions to site walk.

Access to the site walk will be from Drain Street, proceed over the Little River Crossing, go 200 feet to an opening on the right side of the road where the telephone company has a ROW. Park on the right side of the Road and the Engineer/surveyor Killingly Engineering will meet the Commission.

1. Call to Order
2. Roll Call
3. New Business: Site Walk: Stonehurst, Providence Turnpike and Drain Street. Activity: construction of a gravel driveway with access from Drain Street to areas east of the Little River will require three (3) separate wetlands crossings. Crossings will be in previously disturbed areas of wetlands that were used as crossings for logging activities. Total proposed area of disturbance will be 3,991 square feet.
4. Adjournment

Heather Bonnekson, Chairman
John Valente, Wetlands Officer
Inland Wetlands and Watercourses Agency
