Item 4: Old Business: none

Item 5: New Business: none

Item 6: No Permit Necessary: none

Item 9: Discuss and Act on any other Business:

In depth review of Section 4 of the Zoning Regulations regarding permitted use as of right including discussion of ongoing timber harvest on Audubon Property and concerns of an adjacent property owner. WEO is following up on concerns.

Stan Crawford suggested that the IWWA may consider merging in some way with the Conservation Commission in the future as they are having difficulty with finding members. WEO expressed concern with this stating that there may be some conflicts of interest between the two commissions; perhaps some members could serve on both and maintain separate meetings, concurrent on the same day.

Item 10: Audience for Citizens: none.

Item 11: Adjournment

There being no further business to come before the Agency, the meeting adjourned at 8:10 p.m.

Respectfully Submitted,

Martin Mlyniec
Secretary
