**1. Discussion : Plan of Conservation and Development**

Members discussed the overall content of the POCD plan. All agreed that it read well but there were a few additions and a few word changes. History of the past makes it interesting and gives a better sense of the future.

The first selectman Cahill has been provided a copy of the document and provided preliminary feedback. Review of the POCD will be undertaken at the October regular meeting of the Board of Selectman and additional comments from that meeting will be provided to the Commission. Subsequent to the Selectman's review the Commission will schedule the Statutorily required POCD public hearing for early November.

Members discussed remaining items to be included in the POCD and it was determined that Town Staff would contact NECCOG to discuss preparing mapping to be included in final document.

**Adjournment**

**Motion:** Gary DeCesare/Stam Crawford moved/seconded to adjourn at 8:58PM

Respectfully submitted,
