ESSER ii Plan to Safely Reopen HES WITH ALL STUDENTS ATTENDING

**The HES's PLAN to return safely is very simple:
We will follow all of the guidelines
We have been In-Person Learning for the full
academic year 2020-2021**

“Every student, every day, for 183 days”

**Here is a quick summary of our current and very successful
plan:**

**Our classrooms and critical areas of hallways and bathroom
area are cleaned and sanitized daily.**

**Our health protocols follow the CDC guidelines for mask
wearing, social distancing of no less than 3' and hand
washing remain in place**

**Parents are still able to bring their children to and from
school**

Traffic flow remains in place

The “Pod” structure of each TEAM in their own areas and only teachers interacting with each Team remains in place

The School nurse will continue to monitor all health issues at HES as well as Northeast District Department of Health’s directive which will always be closely followed

And

Parents will continue to keep the nurse informed

Bus seating will be assigned seating with social distancing
