

Hampton Green Energy Committee
Meeting Minutes
Wednesday, January 7, 2026
7 PM
Zoom

1. Call to Order

The meeting was called to order at 7:00. Present were Chair Kate Donnelly and Maryellen Donnelly.

2. Audience for Citizen

None

3. Approval of Minutes 12/3/25

As a quorum was not met, minutes were not approved.

4. New Business

a. Film nights- movies, speakers, dates, outreach

Scheduled for Thursday, March 26, 6:30 PM in the Community Room (if available) of Town Hall are the films Youth vs. Government, and Quest for Energy as well as a speaker for the CT Environmental Rights Amendment to the Constitution of Connecticut.

b. Capstone Projects Parish Hill

No report

c. After school lessons at Hampton Elementary School

The after school grant is able to fund grades 3-6. Maryellen asked Principal Smith to meet with her, Kate and after school teacher(s) to discuss what energy related activities might work well with their studies.

d. Air quality and energy issues at the school

The mandated Indoor Air Quality and HVAC inspection was completed and a draft report was received by the Superintendent and shared with the Finance and Operations committee in December. There are recommendations for repairs which are not yet scheduled. Requests for bids are being solicited for a structure to surround/block the oil tank that was installed during the summer in front of the school.

e. Projects with other towns

No public projects are planned at this time.

f. Updates

A new tool is available at the PACE website <https://www.pacecleanenergy.org/ceac/> shows Hampton's energy uses and sources and lets you compare Hampton to other towns.

On Thursday, January 8, 2026 at 5 pm, the Connecticut Department of Energy and Environmental Protection (DEEP) [will hold a virtual public hearing](#) (a link) regarding its tentative decision to permit the Brookfield Compressor Station to add two additional methane gas burning turbines.

On January 28, speakers at the state capitol will share information about a superfund bill and other legislation. EV and solar tax credits have ended.

g. Annual report

The annual report for July 1, 2024 through June 30, 2025 has been submitted.

5. New Business

a. Reappointments

Ev, Jon, Kate, Maryellen, and Sharon, were reappointed on January 5, 2026. Tim was recently appointed and does not need to be reappointed.

6. Adjournment

The meeting ended at 7:32.

Respectfully submitted,
Maryellen Donnelly

The kilowatt hour production of the Hampton Elementary School 127.75 kW system through January 6, 2026 was **1,101,984.5 kWh**. Monthly production is as follows.

	2015 kWh	2016 kWh	2017 kWh	2018 kWh	2019 kWh	2020 kWh	2021 kWh	2022 kWh	2023 kWh	2024 kWh	2025 kWh	2026 kWh
January	-	6,522.34	4,898.84	3,067.42	6,752.87	6,423.62	4,327.26	4,989.01	3,657.87	3,409.12	6,846.59	Jan. 1-6 729.28
