

Together, on May 1, 2021 . . .
we're going to get rid of

Join the Hampton Conservation Commission as we embark on a mission to **eradicate invasive Japanese Knotweed** from the edges of Hampton town roads.

We'll do it 3 times throughout the summer—cutting, bagging and incinerating. Your participation is **CRUCIAL!**

Think you have what it takes? Wanna take out your frustrations on a horrific pest? Come to our **INFORMATIONAL MEETING on April 20th at 7pm at the Town Hall Pavilion.** We'll tell you everything you need to know about what's involved and what we supply for you.

Questions? Contact Marcia Kilpatrick at 860-455-1226 or Kalmia1234@gmail.com.

We can do it!
