

It's Year 2 and We've got Knotweed on the Run!

Join the Hampton Conservation Commission as we continue our mission to **eradicate invasive Japanese Knotweed** from the edges of Hampton town roads.

First Cutting: June 4th, 10am. Bags will be available under the Town Hall Pavilion at 9:30am.

Take out your frustrations on this horrific pest.

Contact Marcia Kilpatrick, Knotweed Czar, at 860-455-1226 or Kalmia1234@gmail.com and let her know where you'll be cutting, or to receive instructions as to where to go and how to do it.

Let's keep up the momentum in Year 2!
